

## **Web Developer/Graphic Designer**

**Tami J. Blalock**

307.371.1179

[webmaster@tamidev.com](mailto:webmaster@tamidev.com)

### **Profile:**

- Experienced Web developer/Designer looking for projects and/or fulltime employment that let me utilize my CSS (hand coded), XHTML/HTML (hand coded), JavaScript, AJAX, Classic ASP, VBScript, Microsoft SQL Server, SEO (Search Engine Optimization) and Graphic Design - Layout skills. I have a special interest in web/database applications, computer graphics and user interface Design.

### **Technical Highlights:**

- Graphic Design Software: Adobe PhotoShop & ImageReady, Macromedia Flash
- Programming: XHTML/HTML (hand coded), CSS (hand coded), JavaScript, Classic ASP, VB, AJAX, Microsoft SQL, ASP.NET, DHTML, COM, VBScript
- Database: Microsoft SQL Server 2000, 2005, 2008
- Software: Homepage, FrontPage, Microsoft Visual Studio 4.0, 5.0, 6.0, 2005, 2008, 2010, Microsoft Web Developer Express 2005, 2008, & 2010, Microsoft SQL Server 2000 Enterprise Manager, Microsoft SQL Server 2005, 2008 Management Studio
- Server Applications: Microsoft IIS 5.0, IIS 6.0, IIS 7.0

### **Knowledge:**

- Keeping up with current technologies, ideas, and what is happening in the industry.

### **Implementation:**

- Experience with a wide variety of projects.
- Experience managing a team to meet project goals.

### **Development:**

- Ability to conceptualize and start the development process very quickly, meeting deadlines while still maintaining a high degree of quality.
- Ability to switch back and forth between different projects quickly and efficiently.

### **Professional Experience:**
